

*The prince
and the
princess*

By tegan

Once there was a prince
and a princess. They were
good and happy. There was
a boy and girl

*The princess got lost in the woods
The queen was bossy and told her to go to the
forest to get some wood for the fire.*

The prince found her. the prince took her home they were friends. The princess was very good she was so nice that the prince let her stay in the castle for ever and ever and ever. the princess Cleaned and cooked in the castle .

They married and they lived happily ever after
